9001 - PRIMEVAL PRINCESS

A regal female, flanked by a pair of fearsome dragon-like reptiles, haughtily surveys the horizon while perched upon a craggy outcrop of rock. This 77 mm. showpiece, based on the cover of Boris' first fantasy art book, will enhance any collection.

9002 - THE MAGIC GOES AWAY

This cover of Boris' 1980 Fantasy Calendar presents a scimitar-wielding fighter leading a beautiful maiden away from danger. This 77 mm. vignette consists of three pieces and is ideal for the beginning modeller.

9003 - DEMON IN THE MIRROR

A majestic Amazon, mounted on a powerful charger, calmly awaits the unseen danger approaching with naked scimitar in hand. The perfect figure to build a diorama around, this 77 mm. piece lends itself to endless settings — or can stand alone.

9006 - GRACUS THE CENTURION

A Roman Centurion, in full regalia, confronts an Amazon Royal Court. Facing him are the voluptuous Queen, enthroned, and her equally attractive attendants — a fan bearer and reclining maiden on a pillow. Even the large oil urn comes with this attractive 77 mm. diorama.

GRENADIER'S MIDI-GAMES

These games feature full color box art, full color playing boards, dice, printed score sheet/card, illustrated counters, and easy to follow rules in a booklet form. The "Midi-Games" plays faster than most games and packed with the excitement today's boardgamer wants.

001 - HYDRA II

Hydra II, the ultimate starship, ultimate space weapon, final hope for a doomed planet! At least that's what it was intended for but can Hydra II lift off, meet the alien fleet, and save humanity in time? It's up to you. A solitaire game or multi-player challenge.

002 - SEAWOLF

Wolfpacks prowl the ocean's shipping lanes in search of prey. Convoys, laden with needed supplies, sail with their escorts in hope of avoiding the terror of torpedoes. 2-man action in the oceans of WWII.

003 - DWARF MOUNTAIN

A game of Fantasy Adventure for 2 players. One controls his feisty band of Dwarves and their mentor as they try to recapture their enchanted ancient homestead. The other is the evil Demonius who sends his hordes of "nasties" to rid his lairs of the "pests". Epic adventure within the mountain of the Dwarves!
